

# Board & Executive Training

Foundational safety training for board members and executives

## Introduction to Child Abuse Prevention

*90 minutes*

We all want to keep kids safe and avoid allegations of abuse. Child abuse prevention training provides sensitivity and support.

## Creating a Harassment-free Workplace

*45 minutes*

Safe workplaces can be created when every person contributes.

## Supervising a Harassment-free Workplace

*45 minutes*

Managing a harassment-free work space is vital for organizations looking to grow and nurture their best talent.

## Creating Safe Environments for Organization Leaders

*60 minutes*

Children are vulnerable, and it is a leader's responsibility to protect them from harm.
